Notice of Section 504 Procedural Safeguards

The following is a brief summary description of the rights provided by Section 504 of the Rehabilitation Act of 1973 to students with disabilities, or suspected disabilities. The intent of the law is to keep you fully informed about decisions concerning your child and to inform you of your rights in the event you disagree with any decisions concerning your child. Under Section 504, you have the right to:

1. Have the district advise you of your rights under federal law.
2. Receive notice with respect to Section 504 identification, evaluation, and/or placement of your child.
3. Have an evaluation and placement decision for your child based upon information from a variety of sources and which is made by a team of persons knowledgeable about the student, the meaning of evaluation data and placement options.
4. Have your child receive a free appropriate public education, which includes the right to be educated with non-disabled students to the extent appropriate, if the child is Section 504 eligible.
5. Have your child take part in and receive benefits from the District without discrimination of the basis of disability.
6. Have your child educated in facilities and receive services comparable to those provided to non-disabled students.
7. Examine all relevant records of your child, including those relating to decisions about your child's Section 504 identification, evaluation, educational program, and placement; and obtain copies of those records at a reasonable cost, unless the fee would effectively prevent you access to the records.
8. Receive information in your native language and primary mode of communication.
9. Have a periodic re-evaluation of your child, including an evaluation before any significant change of placement.
10. Have your child given an equal opportunity to participate in non-academic and extracurricular activities offered by the district.
11. Request and participate in an impartial due process hearing to resolve disagreements regarding the identification, evaluation, or placement of your child, including a right to be represented by counsel in that process and to appeal an adverse decision.
12. File a complaint in accordance with the district's grievance procedures or with the U.S. Department of Education, Office for Civil Rights, if you believe your child has been discriminated against.
