

Junior Golf Academy

@White Lake Golf Club

Our Program

The White Lake Junior Golf Foundation (WLJGF) together with White Lake Golf Club is pleased to offer an affordable junior golf program for ages 7-18. This program uses the Operation 36 Golf program to teach your junior skills in fun classes, allow them to play 9 holes, and track their progress.

What is Operation 36 Golf?

The Operation 36 Golf program centers around playing golf. The goal is to help your junior shoot par (36) or better for 9 holes. Parents and students will also have access to the Op 36 app which allows them to communicate with their coach, track their progress, and access tools to help guide them outside of class.

Program Costs & Dates

Semester Tuition \$100 Includes:

- (8) Academy Classes
