Class Descriptions for Homeschool Partnership 2025 2026

Seated Classes

Art 105 - 3D Art 1

This Art class will focus on the creation of art that is tactile, structural or 3 dimensional. It is designed to challenge students' creativity and introduce types of art that can be both traditionally artistic and functional. Examples of some of types of produces used include creation sets such as Legos, Lincoln Logs, Magformers and erector sets. Traditional art supplies that provide texture such as popsicle sticks, cotton balls, food, etc. will also be used.

Grades 3-8

Art 106 - 3D Art 2

3D Art 2 is a continuation of 3D Art 1 where students will further their new-found skills.

Grades 3-8

Art 107 - Art Studies 1

Art Studies 1 will focus on the study and creation of both classic and contemporary art and the importance of art on our culture; both past and present. Students will create age appropriate studies of classical artists and implement their techniques and common themes. We will also delve into the study and creation of storyboards and cartoons.

Grades 3-8

Art 108 - Art Studies 2

Art Studies 2 is a continuation of Art Studies 1 and will further the student's new-found skills.

Grades 3-8

Art 109 - Sewing 1

This is the perfect class for beginner sewers. You will learn the parts of the sewing machine, have a thorough introduction to using a sewing machine, learn all of the basics of sewing and then go on to create your own fun! Projects will vary from simple items to more complex items. Students will also learn how to read a pattern and cut out fabric.

Grades 3-8

Art 110 - Sewing 2

In Sewing 2 students will take basic skills and expand them by learning new sewing skills: zippers, button and button holes, corners and even creating their own patterns.

Grades 3-8

Art 111 - Creative Exploration 1

This class is designed for students who see art in everything. We will explore life from traditional art using paper and pens to the more modern forms of art; cameras, Legos, performance-based art and everything in between.

Grades 3-8

Art 112 - Creative Exploration 2

Creative Exploration 2 is a continuation of Creative Exploration 1 and will further the student's new-found skills.

Grades 3-8

ART 113 – Culture and Culinary 1

This course is for the beginner to learn basic food preparation skills. Skills we will cover in this class include food safety, proper knife skills, recipe reading, proper equipment use and more. We will learn about foods from different cultures; come prepared to try some new foods!

Grades 3-12

ART 114-Culture and Culinary 2

Culture and Culinary 2 is a continuation of Culture and Culinary 1 and will further the student's new-found skills.

Grades 3-12

Art 119 – Basic Sewing

This class is catered to beginning sewing students, offering both hand sewing and machine sewing skills.

Grades 3-8

Art 121 – Hobbies and Quilt 1

This class is for students who have the prerequisite skill of being able to sew independently. Skills will focus on quilting, pattern design, knitting, embroidery, crochet and more.

Grades 3-8

Art 122 – Hobbies and Quilt 2

Hobbies and Quilt 2 is a continuation of Hobbies and Quilt 1 and will further the student's new-found skills.

Grades 3-8

Art 123 – Performing Arts 1

This class will focus on skills for public performances including set building, music, speech, plays, skits and games.

Grades 3-12

Art 124 – Performing Arts 2

Performing Arts 2 is a continuation of Performing Arts 1 and will further the student's new-found skills.

Grades 3-12

Art 125 – Healthy Habits and Home

This class will focus on skills to promote healthy habits and skills around the home.

Grades 3-8

Art 127 – World Fun, Food and Fine Art

This class is focused on the student learning more about the world around them through art, cooking, games and creative play allowing for an immersive connection to traditions, culture, nature and food from around the globe.

Grades 6-12

Art 129 – Art 1

In this beginner level art course, students will learn about the elements and principles of art and use this knowledge to create works of art based on specific objectives. This class is designed for all students grades 3rd-5th and beginner students aged 6th-8th.

Grades 3-8

Art 131 – Laugh and Learn Art

An introduction to art for our youngest students focusing on the basic elements of art and using them to create complete works of art.

Grades K-5

Art 132 – Homesteading

Exploring the art of being more self-sufficient in the home, including cooking, gardening, cleaning and more. The class will learn about both age-old techniques and modern adaptations.

Grades 3-8

Art 133 – Home Hobbies 1

This class will teach home hobby skills including sewing, pattern design, knitting, embroidery, crochet and more.

Grades 3-8

Art 134 – Home Hobbies 2

Home Hobbies 2 is a continuation of Home Hobbies 1 and will further the student's new-found skills.

Grades 3-8

PE 103 - Leisure Activities 1

This PE class will teach a variety of activities that students can use throughout their entire lifetime. It is designed to improve both physical and mental skills and coordination. Students will learn strategy, technique and life skills in a variety of low impact leisure activities, exercising both the brain and the body that they can use for their entire lifetime. Examples of games include age appropriate yard games, board games and card games.

Grades 3-12

PE 104 - Leisure Activities 2

Leisure Activities 2 is a continuation of Leisure Activities 1 and will further the student's new-found skills.

Grades 3-12

PE 105 - Team Sports 1

Team Sports 1 will teach a variety of team activities for students to learn and enjoy. It is designed to improve both physical and mental skills and coordination while incorporating a team aspect. Students will learn strategy, technique and life skills in a variety of medium impact team activities. Activities played include team handball, basketball, kickball and soccer.

Grades 3-12

PE 106 – Team Sports 2

Team Sports 2 is a continuation of Team Sports 1 and will further the student's new-found skills.

Grades 3-12

PE 107-Team Building 1

Team Building 1 will focus on team building through various subjects including art, music, health, coding and animation, fiber art, performing arts and more!

Grades 3-12

PE 108-Team Building 2

Team Building 2 is a continuation of Team Building 1 and will further the student's new-found skills.

Grades 3-12

PE 111 – Laugh and Learn Physical Education

This class introduces the student to movement and sport skills and how those skills apply to and enhance everyday health and competitive play.

Grades K-5

PE 112 – Physical Education

This class focuses on physical fitness, movement and sport skills, conditioning and strength training and how those skills and activities apply to and enhance both everyday health and competitive sports.

Grades 3-12

PE 113 – Leisure, Sports and Recreation 1

This class will focus on learning a variety of games, both physical and mental, including board and card games, general team sport games and yard recreation games.

Grades 3-12

PE 114 – Leisure, Sports and Recreation 2

Leisure, Sports and Recreation 2 is a continuation of Leisure, Sports and Recreation 1 and will further the student's new-found skills.

Grades 3-12

PE 115 – Elementary Physical Education

This class focuses on physical fitness, movement and sport skills, conditioning and strength training and how those skills and activities apply to and enhance both everyday health and competitive sports as they would apply to students in grades 3rd – 5th.

Grades 3-5

PE 117 – Tech Activities 1

This course is designed to get kids moving with physical activity while using fun, interactive gaming systems from both the past and present.

Grades 3-12

PE 118 – Tech Activities 2

Tech Activities 2 is a continuation of Tech Activities 1 and will further the student's new-found skills.

Grades 3-12

Virtual Classes

_PBS Learning Media

PBS Learning Media offers thousands of powerful learning activities to promote design thinking, collaboration and experimentation. Within PBS Learning Media students can choose from art, PE/health or music.

Grades K-12

_DiscoveryK12

_This online curriculum which offers Visual/Performing Arts, Physical Education, and Healthy Living. While DiscoveryK12 offers more than 10 subjects per grade you may only choose the electives.

Grades K-12

The Kennedy Center

The John F. Kennedy Center for the Performing Arts, a vibrant cultural hub that connects thousands of artists with millions of people each year in person, online and in their home and communities has a library of free curriculum-based lessons designed for the classroom regardless of where that classroom may be. You can choose from 1,000's of lessons and digital learn resources. Once you are on the homepage, click on "Education" for the lessons.

Grades K-12

Go Noodle

Students will get active using interactive videos that engage the mind and body. This free site does require you to create a login to access materials. This virtual counts as a PE/health virtual.

Grades K-6

Daria Music

_Meet a wonderful children's performer who has traveled the globe to share music that inspires, empowers and is just plain fun! On this website you can find lots of great ways to have fun with music, build your own music instruments, discover silly songs or design a multi-cultural project for your school or community group.

Grades K-6

SFSKids (San Francisco Symphony)

The San Francisco Symphony welcomes you to SFSKids.org! We love music and are committed to music education. This website, in conjunction with our live performances, provides a great way for people of all ages to hear, learn, have fun and play games with music.

Grades K-6

Music Theory

_Explore Music Theory's free online content of music basics. This virtual covers the basics, rhythm and meter, scales and key signatures, intervals, chords, diatonic chords and more.

Grades K-12

Peter's Online Typing Course

By the time you finish this course, you will be able to confidently type all the letters, numbers and all the common symbols, with proper ten-finger touch typing techniques.

Grades 5-12

Typing.com

Typing.com is the world's most trusted free typing tutor! It's a perfect way to learn how to confidently type all of the letters, numbers and symbols. This program features fun and engaging exercises, interactive typing games and positive reinforcement.

Grades 5-12

Dance Mat Typing

www.dancemattypingguide.com is a collection of interactive typing lessons combined with fun cartoon cut scenes rewarding students for each lesson completed. Upon completion of all the typing lessons each student can expect to be comfortable using a QWERTY keyboard.

Grades 3rd-12th

Khan Academy

Khan Academy offers practice exercises, instructional videos, and a personalized learning dashboard that empower learners to study at their own pace in and outside of the classroom. Students may only take computer programming, art, health or music.

Grades 5-12

Codecademy

Codecademy teaches people how to code. Their framework consists of practices and concepts that serve as a platform to create computer languages. Whether you're writing your first line of code or transforming to your next step, Codecademy will give you the technical skills you need to skill up and stand out!

Grades 5-12

CODE.org

Code.org is a nonprofit dedicated to expanding access to computer science in schools and increasing participation by women and underrepresented minorities. Our vision is that every student in every school has the opportunity to learn computer science, just like biology, chemistry or algebra. Code.org provides the leading curriculum for K-12 computer science in the largest school districts in the United States and Code.org also organizes the annual [Hour of Code](#) campaign which has engaged 10% of all students in the world. Code.org is supported by generous donors including Amazon, Facebook, Google, the Infosys Foundation, Microsoft, and [many more](#).

Grades 5-12
