Dear Whitehall Middle School Families,

I hope this message finds you safe and warm as we continue to navigate a very wintry stretch of weather. Below are several important updates and upcoming items to keep on your radar.

Beyond Our Bell – After-School Program Interest

We are currently exploring a new after-school program called *Beyond Our Bell* for Whitehall Middle School students. The program would meet one to two times per week for six to eight weeks, from approximately 2:50–3:50 p.m.

During this time, students would receive approximately one hour of academic support with teachers. Students could use this time to:

- Finish classwork
- Ask questions
- Build study and organizational skills

****Interested families may receive additional information regarding the availability of bus transportation home.*

Families interested in having their student participate are encouraged to complete the interest form linked below.
